

To all our amazing MC3 supporters,

Thank you all for your patience these last few weeks while we worked to navigate through the COVID-19 (coronavirus) pandemic and plan for the future. With COVID-19 continuing to progress, safety of all humans is our number one concern and therefore, having the Motor City Comic Con in May is just not an option.

We've been working with the Suburban Collection Showplace and the hotels as well as the many moving parts that go into producing the show to determine new dates for later in the year. We will continue to keep you posted on the new plan, but in the meantime...here's what you need to know.

ATTENDEES: We understand this is a hard time for everyone and we want to make sure our MC3 peeps are taken care of. With that said, to all of our attendees who have pre purchased 2020 admission items either through us and/or our partner--Celebrity Photo Ops, you can expect a FULL REFUND within 7-10 business days. Items include: Admission, VIP Fan Passes, Autographs, Photo Ops and Wristband Shipping. We ask that you remain patient and kind as we work to get the refunds to you as soon as possible.

ARTISTS AND VENDORS: We will also process full refunds to those of you who purchased space for the 2020 show; as we know the lack of shows has hit you all pretty hard. Once we have determined new dates and we have all adapted to our new normal, we will give you the opportunity to purchase your space back before opening registration to new vendors and artists.

Please know that while we understand this is necessary, it is also heartbreaking for us. For over 30 years, we have put our heart and soul into creating a special place where people from all over and with different backgrounds are welcome. We are honored to invite all of you to celebrate your fandoms and passions – together. We

love what we do-uniting people; and to have that compromised...well, it's been tough for all of us. But we're hopeful and we're strong and we're not going anywhere.

Superheroes never lose the fight. We observe, adapt, persevere and overcome. Motor City Comic Con 2020 will be postponed for a later date and we will prevail. Until then, protect yourselves and your loved ones. Follow the government social distancing and shut in guidelines so we can kick COVID's ass and get back to our beloved [#conlife](#).

Peace and love to all of you,

Michael Goldman, Miriam Kruger and the Motor City Comic Con Family
