Maurice LaMarche is a Canadian American voice actor, comedian and impressionist. He has voiced Egon Spengler in The Real Ghostbusters and its follow-up Extreme Ghostbusters, the Brain in Animaniacs as well as its spin-off Pinky and the Brain, Big Bob in Hey Arnold! (1996–2004), and a variety of characters in Futurama.

LaMarche began on Inspector Gadget with that show's second season in 1985, and went on to Dennis the Menace, Popeye and Son and The Real Ghostbusters where he played Egon Spengler. After The Real Ghostbusters, LaMarche became a regular mainstay of the voiceover industry, appearing in such shows as Tiny Toon Adventures, GI Joe, Attack of the Killer Tomatoes: The Animated Series, Taz-Mania, Where's Waldo, The Little Mermaid, Batman: The Animated Series, and Bonkers before landing perhaps his most recognized role in 1993 as The Brain on Animaniacs and later its spin-off show Pinky and the Brain. Following this, LaMarche worked on The Critic, Freakazoid!, and The Tick before then reprising his role of Egon in Extreme Ghostbusters. The stretch of two years after this saw LaMarche portray characters in

such shows as Hey Arnold! as Big Bob Pataki, Queer Duck, and The Chimp Channel. During this time Maurice would become the voice actor for Mortimer Mouse whom he would voice in the television series Mickey Mouse Works and Disney's House of Mouse. It was at this time, 1999, that LaMarche began work on Futurama, and since Futurama, LaMarche has continued to work steadily in television, including guest roles on The Simpsons (where he once again parodied Orson Welles). His most recent regular role came as Hovis the butler on the Nickelodeon series Catscratch. LaMarche was the voice of Father in Kids Next Door & he was also the voice of Victor in Playhouse Disney's Handy Manny Halloween episode (the latter Originally Aired on October 8, 2007).

LaMarche has done various voice work for many Warner Bros. Animation and DiC Entertainment cartoons. He also delivered the protracted belches for the "Great Wakkorotti" shorts on Animaniacs, in which Wakko Warner performed various pieces of music. In 2011, LaMarche reprised his role as Yosemite Sam in Cartoon Network's new series, The Looney Tunes Show, and its spin-off, New Looney Tunes.

LaMarche made several roles in My Little Pony: Friendship Is Magic where he voiced Chancellor Neighsay.

Motor City Comic Con's annual event takes place every May and because of the health restrictions, the 2021 event was moved to October 15-17, 2021. The convention will return to being hosted annually in May, in 2022. Both events will take place at the Suburban Collection Showplace in Novi. The biggest and baddest weekend in Michigan will feature actors from the television, movie, and streaming industry, along with the most creative artists, writers, and comic book creators in the industry.

An added convenience feature this year for guests to avoid the long admission lines, will be RFID wristbands! RFID wristbands are available for purchase and mailed to homes for an additional \$15 fee. Fans who purchase these RFID wristbands and have them mailed prior to the con will not have to wait in any lines before entering the convention and get a faster start to their Motor City Comic Con experience. This option allows guests to skip registration by simply putting on the wristband before entering the show.
