Michael Rosenbaum has worked with everyone from Bradley Cooper, Kristen Bell and Charlize Theron to Christopher Walken, Steve Martin, Sylvester Stallone and Clint Eastwood. He's acted in over 20 feature films, including Guardians of the Galaxy 2, Urban Legend, Bringing Down the House, Sweet November, Sorority Boys and Poolhall Junkies. He also has an extensive voice-over career, voicing THE FLASH in the Justice League Animated series and many other characters throughout the DC universe.

Known for playing what many journalists, fans and the late Stan Lee believe to be the best LEX LUTHOR ever portrayed on screen, Rosenbaum shaved his head for the role for 7 seasons on the smash hit Smallville. After Smallville, Rosenbaum went on to do more comedy. He played the fan favorite Dutch Nilbog in the show Breaking In on Fox and played the lead role of Buddy Dobbs in the show IMPASTOR where he was also Executive Producer. He then wrote directed and starred in his own film, BACK IN THE DAY acting opposite Morena Baccarin and Nick Swardson.

Rosenbaum is also the lead singer for the band SUN SPIN. The band just came out with their first album, BEST DAYS. They have been performing live virtually for the last year and plan to tour Europe. What could be Rosenbaum's greatest passion is his podcast INSIDE OF YOU with Michael Rosenbaum, which has garnered a lot of attention among fans as being one of the most intimate and engaging one on one interview podcasts out there. With over 10 million downloads, his guests have included Bob Odenkirk, Grant Gustin, Henry Winkler, Jenson Ackles, Rainn Wilson, Dax Shepard, Kristen Bell, Justin Hartley, Tom Welling and more. You

can listen on almost every platform and watch the interviews on Youtube. Recently Westwood One has partnered with the podcast.

Rosenbaum is also very passionate about his charities. He works closely with the non-profit FOOD ON FOOT, an organization dedicated to giving homeless people in Los Angeles a second chance at life. His other charities are doing movie nights for the children and families living at the RONALD MCDONALD HOUSE in Los Angeles and working with ECHOES OF HOPE helping foster youth and giving them every opportunity to succeed in life. He's been involved with Echoes for over 10 years.

Motor City Comic Con's annual event takes place every May and because of the health restrictions, the 2021 event was moved to October 15-17, 2021. The convention will return to being hosted annually in May, in 2022. Both events will take place at the Suburban Collection Showplace in Novi. The biggest and baddest weekend in Michigan will feature actors from the television, movie, and streaming industry, along with the most creative artists, writers, and comic book creators in the industry.

An added convenience feature this year for guests to avoid the long admission lines, will be RFID wristbands! RFID wristbands are available for purchase and mailed to homes for an additional \$15 fee. Fans who purchase these RFID wristbands and have them mailed prior to the con will not have to wait in any lines before entering the convention and get a faster start to their Motor City Comic Con experience. This option allows guests to skip registration by simply putting on the wristband before entering the show.
